

# Get Growing

## Alpine Master Gardeners

## Sponsorship Opportunities

It is through the generosity of sponsors that we are able to offer programs for the benefit of our community. We thank you for your consideration.

Sponsors will be recognized in the promotion of this event via a variety of local northern Michigan media, mass emailings reaching thousands of gardeners and conservationists, social media, AMGA's website, MSU Extension's Michigan Master Gardener Program, as well as during the event through signage, announcements and programs. Your help is very much appreciated.

\_\_\_ \$500 Luncheon Sponsorship (4 Available)
