EAA Chapter 1095

January 2007

President's Corner

by Vic Briley

Hello fellow flyers:

Another year has come and gone and we have had a lot of fun and are making progress toward having our own home. We have not received final approval yet from the county board of commissioners yet, but I do expect this to happen soon. We just need to finish the paperwork and get it blessed by the county. Jack Kinney (the founder of our EAA chapter) is donating his Sonerai aircraft kit to our chapter to be used as a chapter project. We will take possession of the kit as soon as we have a home to put it in.

The Gaylord airport has finally opened its new terminal. We will take a tour at our meeting on Wednesday. We will also be watching a seminar-in-a-box for the remainder of the meeting (title to be announced at the meeting).

Some of our members have expressed a desire to have the winter meetings switched back to Sunday at 2pm because of the inclement weather and night driving. Please give this some thought

Editor's Notes

by Phil Curtiss

The Christmas Party was a success. Michael Valuet won the \$100 Sporty's gift certificate. Lillian Hughes won the Guest Baskets. (See photo on Page 3.)

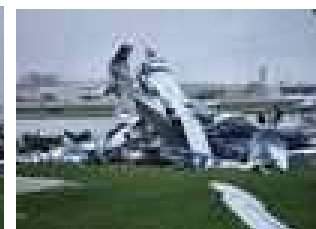

Just to keep the Newsletter up-to-date I had to change Page 2. The Terminal photo has been replaced by a new photo of our new Terminal. Hopefully we all will like it even though some of us are unhappy over the termination of the Airport Staff.

Inserted into this Newsletter is the bill for your 2007 dues. Please mail them to our Post Office Box. Our Treasurer will thank you. Those of you receiving the online version of the Newsletter, please print out the bill and mail.

The Embry-Riddle Training Center in Florida was a victim of a tornado. The photos below show some of the damage. These are not nice pictures!

- Mar 14** Board Meeting at 6:30pm at the Airport. Regular meeting follows.
- Apr 11** Board Meeting at 6:30pm at the Airport. Regular meeting follows.

November Meeting Minutes

Board of Directors' meeting called to order by Pres. Vic.

Motion by Phil, seconded by Will, that minutes be approved as printed in newsletter. Motion passed

Vic advised that our offer for the old hanger was accepted pending the exchange of money and required paperwork, we will own a hanger.

Discussion was held in reference to our next board meeting. The experience we had last month where the board meeting and regular meeting ran together, it was felt that it would be better if the board meeting could be separated from our regular meeting. It was decided that our January board meeting would be held in Ken's hanger at 6:30 PM and our regular meeting would be held in the airport terminal at 7:30 PM.

It was announced that we will not have a regular meeting in December; it will be replaced with our Christmas Party at BJ's restaurant on December 8.

Motion made by Will that our meeting be adjourned, Seconded by Joe H. Meeting adjourned.

Our regular meeting called to order by Pres Vic. Motion by Phil that the minutes be accepted as published in our newsletter, Seconded by Louie. Motion passed.

Treasurers report by Joe H. Our present balance is \$3,009.50 Motion by Phil that Treasurer's report be accepted as presented, Seconded by Wally. Motion passed.

Pres Vic introduced our program for this evening. Dr. Bill Ballard from Gladwin gave us a rundown on some of the history of aviation in the Saginaw Valley.

This was very interesting. I don't think many of us knew that there had been an airplane factory in Saginaw, Mich. He brought a lot of history to us.

Motion by Will that the meeting be adjourned, Seconded by Louie. Adjourned.

John Hughes, Secretary

and we will take a vote at the meeting. The majority rules.

We need to start making plans for next summer. Please give us your input on trips and activities you would like to see happen this year. This year's Air Fair is scheduled for the weekend of June 23rd with Young Eagles on Saturday the 23rd and the main event on Sunday the 24th. The Yankee Air Force will be there again with more planes and more rides. We are expecting a much larger turnout this year.

Keep the blue side up!

Vic Briley
