## President's Corner

by Vic Briley

Hello fellow flyers:

Our thoughts and prayers go out to John Hughes and family for the loss of their wife/mother, Lillian Barbara Hughes. John and Lillian were married almost 60 years. Funeral services were held on Friday, May 30<sup>th</sup> at Trinity Lutheran Church in Gaylord. We will miss her very much.

We will be planning for the Air Fair this month again. We would like to see everything go as smoothly as last year. Remember the 6 P's: Prior Planning Prevents P \_ \_ \_ Poor Performance.

I received details about the Otsego Community Meal Project from Marian Schlemmer. We will discuss the project and make plans during the meeting.

The EAA Weekend Work Party is still open to volunteers that would like to go. Doug Hancock was going to fly a group over on the weekend of May 31<sup>st</sup>, but IFR weather kept them at home. There are a few weekends left if anyone would still like to go. Fuel costs will be split evenly and lodging/meals are provided by EAA. The weekend work party schedule is as follows:

June 21-22 with tour of the Sonex Aircraft Company (Gaylord Air Fair weekend)

June 28-29

July 12-13 visit with EAA founder Paul Poberezny at the Aeroplane Factory

July 19-20

Work parties on weekends without Saturday evening programs will have an opportunity for an

## Gone West

Lillian Hughes, wife of John, passed away suddenly May 23rd. Flowers were sent by the Chapter.

Several members visited with John at the Funeral Home in Houghton Lake. Others attended Lillian's funeral in Gaylord.

We wish John the very best as he makes the difficult adjustments in the coming days.

## June Notes

The bulk of this issue of *45° North* will be dedicated to the Air Fair as will be the June meeting.

As you can see on the Assignment sheets we need some more volunteers to fill the empty slots. If we all work together the Air Fair will be a success.

An Air Fair poster is included.

after hours tour of the Museum, Founders Gallery, Pioneer Airport, etc.

After the Air Fair, we need to paint and fix up our chapter hangar. More details will follow at later meetings this summer.

Coming up is the Otsego County Sea Plane Splash-in June 13-15. I was going to camp there during that week; however, my stepson (Mike Flanders) was in a bad car accident on May 31<sup>st</sup>

and will need personal care at home when he gets out of the hospital. Many of you met Mike at the last potluck party in Dennis Hall's hangar.

Keep the blue side up!
