Matt has asked the Kiwanis club if we are interested in being a part of the Air show for the father's day weekend 2011. Thursday November 4<sup>th</sup> at a general club meeting the Board approved the holding a Vietnam era dance at the 2011 air show. Pat Cohorst and Lynn Kellner volunteered to co chair this fund raiser. We need you to accept the project and volunteer your time. This project is for the good of our club, and needed by our Gaylord Community.

***Live in such a way that you would not be ashamed to sell your parrot to the town gossip.***

Terrific Kids is well on its way for this year. This program has been well accepted by all of the schools and parents.

We are already getting inquiries about our BUG program. This encourages the children to bring up and keep up their grades. Thanks goes to Chuck Bump the chairman and to all the Kiwanis volunteers who take time to go to the schools and represent Kiwanis. Jim McBride took the certificates and the other supplies to Vanderbilt. They are already getting started with the BUG program.

The Kiwanis dictionary project is starting. This Thursday I will be taking 122 dictionaries to the North Ohio School. A dictionary will be given to each third grader in the Gaylord area. St. Mary's and The Christian School are also included in this project.

The Christmas mixed nuts are in. We purchased 65 cases (390 cans). They are being sold at the Independent Bank and at the Fifth Third Bank in downtown Gaylord. If you want a can act fast because they seem to go fast.

***You can make more friends in two months by becoming interested in other people than you can in two years by trying to get other people interested in you.***

Hey! Jim Davis and Bob Miller have a great winter. Think of us once and awhile.

Yours in Kiwanis,

Bob Wilson
