We Build

The meeting for 06/10/10 was called to order by President Dean Johnson. Those in attendance were: Gary, Jim & Pat McBride, Judi, Bob Miller, Scott, Diann, Rich, Bill, Fred, Pat Cohorst, Jetre, George, Gil, Chuck, Dean, Bob, Lynn, Don, and Janice.

We are going to have an inter club to Onaway. Those that are going are: Carolyn, Jetre, Fred, and George. Call George Bour if you are interested in joining the crew for an interclub. His phone number at home is 989-732-6084. His phone number at work is 989-732-1576.

We had a successful inter club to Petoskey on June 8th. Don, George, Fred, and Bill Osen went.

Speaking of Bill Osen; Bill and Duane Jasinski are traveling to Toledo to pick up Glasses for our Dime Toss game. They will be doing this on Tuesday June 15th. Bill is asking for your help on June 16th. The glasses need to be unloaded and put away at the 5th 3rd Bank. Call Bill Tuesday night before 9:00PM for the time he will need the help. (732-5770)

The Bike Rodeo chaired by Chuck Bump was a success. There were over 80 children that attended. Thanks goes out to Matt for providing the airport facilities to us. What a great place to hold such an event. If you know Jerry Holborn, tell him thanks for his work at the bike rodeo. He did a great job according to those that were there. We also had some Key Club members that helped. Thanks go out to them also. The Herald times had a great article about the bike rally and the Relay for Life. Our Aktion Club just keeps on impressing all of us by what they do in our community. The article about the relay was almost all about our Aktion club. The Aktion Club donated well over \$4000.00. It was raised not by corporate sponsors, but as individual's one dollar at a time.

Rich gave a heads up report on our up coming Country Music concert. We are going to have to man the phones and solicit tickets sales. There was a meeting on the 14th to help us to learn how to do it. It is something we all make not like to do, but we need to presell these tickets. This is going to be a great fund raiser by your club, and everyone needs to step p to the plate with this cold call part of the project. If you missed Monday please call Rich and ask him to explain the process to you. (732-2177) this is important. If we want to do good things in the community we have to have that nasty green stuff called money. There is nothing else that seems to make things work. It will only hurt for a little while.

Our program for this week was Bill Knapp. He came and explained what CERT is. He was also looking for some volunteers to join this group.

It is nice to see Carolyn Owens back from Florida. Everyone say hello to her when you see her.

We all are waiting to see Jim Davis. Jim is back, but has had a few setbacks. He lost his daughter after he had just returned. Jim you and your family has our condolences. Jim also had eye surgery. Keep Jim and his family in your prayers.

We also lost a great friend last week. Hazel Ashworth passed away. Her funeral was last Wednesday. Hazel was a very important person to us all. She tried very hard to keep us all in line. We will miss you Hazel.

It was not a good time, but it was great to see a past member Pete Clapp. He did Hazel's funeral. Hazel requested Pete to do the service. He did great. He is a very easy person to listen to. It matters not what the subject, time, or circumstance.

Take all the fools out of this world and there wouldn't be any fun living in it, or profit.

Consider the postage stamp, my son. It secures success through its ability to stick to one thing till it gets there.

About the most originality that any writer can hope to achieve honestly is to steal with good judgment.
