We Build

Kiwanians,

This is not much of a newsletter, but I have been enjoying volleyball with my two Granddaughters. One is a freshman and one a senior. They both start for the varsity team and they are winners.

One thing that you need to know about is a project that Judi heads up. An apple for a teacher is a project where every teacher in our County gets an apple from Kiwanis to show that we appreciate what they do for our children and our community. Judi will have the apples for us to inspect and polish at our meeting tomorrow morning. If we all do our part it will not take long. Please come and shine up those apples.

Tomorrow is Aktion Club day. Please come and see these young people in action. They sure would love to see more of us at their meetings. The lunch that the Eagles serve us is worth the time taken. The lunch cost is \$3.00.
