01/05/2012. The Kiwanians present were: Gary, Jack, Courtney, Jetre, Paul, Matt, Dean, Rich, Rob, Eric, Lynn, Pat & Duane, Judi, Chuck, Duane Jasinski, Fred, Bill, Howard M., Scott, and Bob.

Our guest speaker for today was Jim Akans. He is with the Weekly Choice newspaper. He came with a different hat on and told us about Alpenfrost. This is the first year for this event. He asked us if we wanted to be a part of this and it looks like we will do what we can to help out. We will either do some sort of food and beverage or children's games.

There is going to be a Business after hours at the Airport to kickoff the Wings over Gaylord air show for this year. We are all invited to attend. There will be a cash bar and eats provided. The date is January 11th at 5:00pm. The meeting will be over at 7:00pm.

Chuck is busy with another of his Kiwanis ideas. We will attend the first presentation of Escanaba in Da Moonlight that Chuck is directing. It will be on January 19th, which is a Thursday at a dinner theater held at Michawye in the Woods. You will hopefully attend and bring your spouse for an enjoyable evening. Chuck has made some requests, and I hope that some of us can find some time in our schedules to help. Judi has the tickets and let us try to have a good attendance for this fund raiser.

Bob,

I will have tickets for Escanaba in Da Moonlight Thursday at the meeting. The dinner theater is at Michawye` with cash bar at 6pm with dinner at 6:30 and deer camp to follow.

These are events that as many of us from the Kiwanis club should attend if at all possible. You really need to see the younger generation for what good things that they are trying to provide for us and their community. The work that these young people do needs to be encouraged by all of us as Kiwanians. We cannot say oh let Bubba do it! We have to be involved with these young people if we want them (or us) to make a difference in this old world. Take some time and visit one of these meetings. I think you will be pleasantly surprised.

The 50-50 is getting BIGGER!

There's terrific merit in having no sense of humor, no sense of irony, practically no sense of anything at all. If you're born with these so-called defects you have a very good chance of getting to the top.
