We Build

This is for the regular meeting of 01/27/11. The Kiwanians present were: Duane & Pat, Matt, Rich, Gil, Fred, Judi, Gary, Dean, Jim & Patty, Jetre, Bill, Jack, Chuck, Rob, George, and a potential new member Howard McDonald.

We had two people present from our high school Key Club and a representative from our Aktion Club.

We had two inter clubs that got up early to join us. There was one from West Branch and another from Indian River.

We heard about the Kids for Hunger project from the West Branch club. We may be doing this project.

Look on line for (grflashback.com) to see them and listen to their music. This is the web page for the band that we are going to have at our Vietnam Days dance that we will host at the Gaylord air show this year. It looks like we are going to have fun this year with all of our projects.

Judi is starting another new fund raiser for us. It is called a Bob Evans Community Fun Night. It will be held on Monday March 7th 2011. With a coupon that we will in some way distribute to the masses, we will realize 15% of the meals cost. We have to make up a coupon and get it out into the community. This will be a project that may make us some needed money. There will be more information coming. There will be a need to come up with ways to get these coupons into the potential diner's hands. We cannot stand at the door and give them out.

Dime toss? Dime toss? Bill Osen and Gil are itching to get this project going. Warm weather don't you know?

YOU CAN SEE THAT WE ARE GOING TO BE BUSY!

Here are our program speakers that have agreed to join us.

WE MAKE A DIFFERENCE

Along with this newsletter I am sending another attachment. It is a new member application blank form. You can print it out and ask a friend to fill it out. Invite a friend to enjoy the Kiwanis life.

Where is the money? Or should I come to the meeting?

The 50-50 is getting bigger and bigger! Who will win the drawing for all the money? There is approximate of \$214.00 in the pot, and 23 cards left.

Give a man a fish and he eats for a day. Teach him how to fish and you get rid of him all weekend.

Who's going to help?

I guess that is an easy question. Pat, Jim and Fred always there, always willing, and always a smile.
