*A Kiwanians day*

Hi: had a very active day for Kiwanis. Went to Vanderbilt. They had an awards event planned for 1pm including giving a bike to one of the BUG recipients. So I went to Meijer inquired about the request for assistance for the rodeo in addition to buying a bike for Vanderbilt (I had drawn the winners name and knew his size etc), got an award of \$100 so bought another bike and two helmets (plus two packs of gum to get to the 100). Went to Dunn's and got 1300 hand-outs (\$95) printed for all the schools for the bike rodeo which I picked up later and got to the schools so they will go out tomorrow. Went back to Vanderbilt at 1. (Also left a message for Sheriff Jim) They gave out Terrific Kids awards, BUG awards and then I gave the bike to a very happy recipient (got a picture). At 4pm got a call from the So. Maple winner's dad so went to Wal-Mart and he took a half hour to pick out his bike--which came to just over \$100 with tax. He and his dad were also very happy (again have picture). Have the extra bike/helmet for the rodeo. Supposedly Wal-Mart has two bikes/helmets to give out at the rodeo. Note: notice was in both papers. Also took the helmets the hospital has provided out to the airport. Did not see Matt but left

word that we are going to be using the tarmac or where we were last year. Didn't see the banner but it is on the fence along Dickerson I've been told. Will get the receipts to our treasurer as all the expenses have been put on my credit card.

This was Chuck Bump's day after the morning meeting. Thank you Chuck. P.S. He did all of this and also found time to take an hour and be a Lunch Buddy for a young fellow at North Ohio.

**Attention, Today June 8<sup>th</sup> at 6:00PM there will be a pre party hosted by the EAA club. It will be at the EAA hanger. There will be food and beverages, We all have been invited to attend.**
