The 2011 dime toss was a success. The net was over \$5987.00. We grossed over \$8500.00. It was a great year. We need to thank everyone that helped out. We need to form different committees now to make next year a success. We need to give Bill and Gil a thank you for all of the hours that they put in to make this project a success. (Tent committee, glass committee, schedule committee, and parade committee.) Doing this now will make things so much easier next year. Great job all!

COUNTRY CONCERT< COUNTRY CONCERT<

Nature gave men two ends - one to sit on and one to think with. Ever since then man's success or failure has been dependent on the one he used most.
