Now we need some volunteers to step up and learn two of the club's officer's duties. As a club that has had the same people in their respective office for a long period of time, the club becomes stagnant. We need people willing to help out in the secretary's and treasurer's positions. We need new ideas and new ways of doing those jobs. I personally need a break, and I am sure Gary feels the same (I have not mentioned this to Gary). I am leaving to go to Florida for two months this coming winter. I would like to turn the job over to a volunteer for these two months. I will be able to help train a replacement now. I do not want to wait till the last minute to do so. I would like to see a couple of Kiwanians step up to the plate.

I am sure this will be a topic of conversation tonight at the August Board meeting.
