In Kiwanis Kids, elementary students conduct their own service projects.

Terrific Kids promotes character. Students work to improve behavior, attendance, schoolwork , or relationships with peers.

The next extraordinary step for high school student leaders.

This program is based on service, leadership and fellowship on more than 500 university campuses worldwide.

The above are youth focused organizations that Kiwanis sponsors. They are in our private and public schools and also our universities. Do you know which of the groups the Gaylord Kiwanis club is involved with and helps financially?
