We Build

09/01/2011. The Kiwanians present were: Gary, Bill, Rich, Judi and her spouse Jim, Jim D., Dean, Pat Cohorst, Gil, Jack, George, Jetre, Fred, Bob Miller, Rob, Scott, Don, Chuck, and Bob.

Eric Clink was our guest. He is a prospective member. Everyone say hello to Eric if he is at our next meeting.

Our guest speaker was Marilyn Kaczanowski. She gave us an update on the Friendship Shelter. They are in need of funds to put in a new septic system. We had \$1000.00 in our budget and we gave her a check.

The Country Concert is scheduled for October 22nd. Rich reported that the tickets are done and being distributed. He is almost done working on the ads. The front cover is done and the posters will be ready next week. Rich has the tickets. **Let's get them sold.** We can only sell 500. They are \$10.00 each, and there are no refunds. Everything is right on track for another good show.

On September 4th the dime toss was at Thunder over Waters. A fun day was had by all. It gets bigger and better every year. **Thanks to Bob Miller and his wife JJ** we made over \$300.00. Thanks Bob. We will miss you. Bob has resigned from our club. JJ is now retired and they plan to travel much more. Bob and JJ have done many things for our club. We probably would not be involved with Terrific Kids, BUG, or Thunder over Waters without their prodding. If you see either Bob or JJ please thank them.

All of the schools have the Terrific Kids materials. It's that time of the year. We would like each one of you to volunteer for the program. Take time to see what this program means to the students and teachers in our schools. It makes a difference when a child sees someone cares about him or her. You could be the one that makes that difference. If anyone knows any of the Vanderbilt school teachers, please have them respond to our efforts to communicate with them.

Interclubs: On September 12th we will be going to Onaway. We could use one more volunteer to go. Fred, Jetre, George, and Jim Davis are going. On the 14th we are going to a morning meeting at Little Traverse Bay. Jim, Judi, Duane, and George will make this trip. On September 28th we will do our last inter club for this Kiwanis year. It will be to Harbor Springs. We need some volunteers to go.

8/25, 8/27 and 8/28 was the District Convention in East Lansing. Don Cabble was our representative. Health reasons and the Federal Judicial system have a way of changing plans. Thanks go out to President Don.

John Lewy has again offered his facility for this event. **(There will be no morning meeting)**. Now just because we are not going to have our regular meeting does not give you an excuse to not show up to the party. These young people go out of their way every year to help us. They deserve a Kiwanis thank you. **Please** show up at the resort and bring your spouse along with a dish to pass. We are

providing hamburgers, and brats. You could bring a desert, a salad, potato chips, or whatever you would think these young people would enjoy. We need to get back to the good old days of enjoying each other's company. **(NO EXCUSES YOU ARE BEING FORCED TO HAVE SOME FUN).**

On September 29th we will have our installation dinner. It will be at BJ's restaurant this year. Please bring you and your spouse for this annual event. This is your chance to thank Don for his leadership for the year. It is also a chance to welcome Rob as our new President. Who will be Kiwanian of the year? Who will be the person or business from our community that we will honor? **(There will be no morning meeting).** The cost of each meal will be \$10.00. It will be a buffet.

There will be a combined Board meeting on September 14th. It is important to attend if you are a Board member. Budgets for next year will be determined.

The new President Elect is Jack Noirot
The new two year Board members are Rich Sumerix, Scott Cheney, and Duane Jasinski.

The new one year Board members are Diann Axford, Howard MacDonald, and Pat Cohorst.

The Treasurer is Gary Mattson

The Secretary will be Bob Wilson after the new Board's approval.

The Board will also consist of President Rob Westerman, Past President Don Cabble and our PR Kiwanian Matt Barresi. If we leveled a fine on him, the poor man would be broke for as much as he is on TV and in the papers.

The first and final thing you have to do in this world is to last in it, and not be smashed by it.
