We Build

10/27/2011. The Kiwanians present were: Gary, Courtney, Rich, Dean, Jack, Fred, Rob, Diann, Jim & Patty, George, Howard M., Bill, Duane Jasinski, Eric Clink, Don, Chuck, and Bob.

We had a guest at our meeting. Jessica Noeske was in attendance. Jessica works for M-Bank. Jessica brought in her application and we will act on her membership request at our Board meeting.

The Board meeting for this month will be tonight November 1st at 6:30pm. It will be held at the airport.

Our speaker today was Bruce Smith. He gave us an update on the weather. He guarantees that there is a chance of snow this winter. He also predicts it may be cold at times. He says they are accurate about 100% of the time. Bruce was a great speaker and very likable. He also asked for an application.

The Country Concert was scheduled for October 22nd. The Country concert went very well. If you did not attend you missed a great show. **Be sure to thank Rich** for what he has done for our Kiwanis club. This was a big project that made a lot of money to spend on our area kids. We need a volunteer to keep this fund raiser going. It makes too much money to forget about doing it. I think we all need to step back a step and put ourselves in volunteer mode.

Interclubs: We have a new interclub chairman. Don Cabble has been asked by President Rob to run this program. There will be some new ways of approaching Interclubs. Don will explain the new thoughts at a meeting. We are going to try to visit either Rogers City or Newberry in November. See the listings below. Pick a club you may want to visit. Don is contacting each club to find out when they are doing a project. We may do interclubs with these other clubs when they are doing their project; it is like killing two birds with one stone. We will get credit for an interclub, but also get to help our sister clubs do the project. It will be a win, win situation. We had an interclub with the new Aktion Club that was chartered on Friday the 28th of October. Chuck Bump, Don

Cabble. Jim Fox (Aktion Club member), and Bob Wilson were the Kiwanians that went. It was a great event and now I believe there are 39 Aktion Clubs in the State.

By definition an interclub is a group from one club visiting another Kiwanis club at an event sponsored by the visited Kiwanis club. This event can be designated as the club's official meeting. If the regular meeting isn't closed by ringing the bell, the regular meeting carries on to include the project event.

Our next interclub will be on November 10th to Newberry. Fred, Don, Howard M., and Dean are planning on the trip.

Interclub

An interclub is a visit by your club to the official meeting of another Kiwanis club or Service event. Leadership Program clubs (K-Kids, Builders Club, Key Club, Circle K or Aktion Club.)

Following are the number of members needed to constitute an interclub:

Clubs with 20 or fewer members: need 2 members in attendance for an interclub

Clubs with 21-30 members: need 3 members in attendance for an interclub

Clubs with 31 or more members: need 4 members in attendance for an interclub

Round Robin. A Round Robin is completed when your club has visited every other club within your division at least once during the administrative year. Multiple Round Robins are possible if your club visits every division club twice, and so on.

This is the year of MONEY. Also, this year, October will have 5 Sundays, 5 Mondays & 5 Saturdays. This happens only once every 823 years. These particular years are known as Moneybag years.

The ice cream socials are just about done for the fall. Thanks goes out to all of the ice cream scoopers. Jim and Patty McBride have done a great job. Please thank them when you see them.
