The place that will be used for the store is located in the old Kindergarten center. It is the building that is located in front of South Maple. Basket packing will be different this year. Scott has plans and I am sure everything will work out just fine.

Dear Kiwanis Friends:

I want to thank you for honoring Grant and me at the Kountry Klassic for our service to the club.

I personally want to thank the club for all the opportunities it has offered me to serve this great town of Gaylord.

When I retired 28 years ago I thought I would play golf and relax. Then a neighbor (George Shima) invited me to a Kiwanis meeting. Joining Kiwanis opened the door to a very fulfilling retirement which has enriched my life.

I had never realized that there could be so many opportunities to offer assistance to those in need in our community. The Kiwanis Club has always stepped up to respond to those needs and is well respected in our community. This speaks well for our membership.

I am proud that my son Scott followed me into Kiwanis and is filling a vital role. Our wives, Jane and Connie, have always been very supportive.

I miss you guys and gals. Hope to see you soon.

Sincerely,

Be silent as to services you have rendered, but speak of favors you have received. [Seneca](#) (5 BC - 65 AD)

There will be a Board meeting on Tuesday December 6th at the airport. It will be at 6:30pm.
