We Build

Kiwanians,

Our program was Abby Hamilton from the Guardian Gals. In my opinion this was one of the best programs that we have ever had. She is really making a big difference in our community.

Just a note to let you know who and what our program is for tomorrow morning (12/09/10)

The program will be Jenn from Northern Management will tell us what Northern Management does and for who. (She is Lynn's daughter).

On December 23rd Ken Arndt will give us a program on what the Boy Scouts have done this year.

Rob had a question for all of us. Do we want to have a meeting on December 23rd, and December 30th? The consensus was that there was no reason not to have a meeting. We will be meeting on those two days.

Remember to plan your time and save some of it for our Christmas basket project. Call Scott Cheney (989-939-7273) or Judi Doan (989-732-1576) to find out what you can do and what time you need to make yourself available.

The schedule:

December 10th, Scott needs help picking up the cans of food from the schools. We will meet at 12:00pm at the old School Board office in the gym. At 1:30 Scott needs help separating all of the cans and counting. Scott would like to be out by 5 or 6pm.

Saturday December 11th, Scott needs help from 12:00 to 6:00pm. All day will be spent sorting and setting up the store.

Monday December 13th, the hours to help will be 9:00 to 6:00pm.

Tuesday December 14th the hours will be 9:00 to 6:00pm.

Wednesday December 15th the hours will be 12:00 to 6:00pm. Also on Wednesday we will need help with going to Alba to pick up 4000#s of potatoes. We need help at the store unloading the bales of 10-5# bags.

Thursday 16th we will start packing the baskets at 6:00pm. The packing will last till they are all packed. We will probably pack 800 baskets.

Saturday 18th we will distribute the baskets to the families from 9:00am to 4:00pm.

Sunday 19th we will finish handing out the baskets from 12:00 to 4:00pm. I tried to check with Judi on the correct times, but she was out of the office when I called.

A life spent making mistakes is not only more honorable but more useful than a life spent doing nothing.
