Thursday night June 4<sup>th</sup>, 2009 is a special night for The Gaylord Kiwanis Club. It is spouse night and scholarship night. ***Please try to attend. We need to show the winner and her family that this is something that we Gaylord Kiwnians really care about. Try to attend and make this a special night for this young person and her family.***

***It sometimes is embarrassing for our club when we do not support the effort. Gil, Pat, Jim McBride, and Hazel have put a whole lot of time and effort into this project. Let us support them.***

***Thanks***

Bob Wilson
