Dear Contact:

The Topinabee Development Association (TDA) has recently submitted a request for an appropriation of federal funds to accomplish a Streetscape Enhancement Plan for the community.

The purpose of this letter is to inform you that Grand Hotel supports the efforts the TDA is making and encourages your help in allocating monies necessary to enable the community to accomplish this goal. The enhancements being pursued by the association will further improve the appearance of Northern Michigan as a destination spot for travelers.

Thank you for your time and your support.

Sincerely,

President
