February 10, 2010

Governor Jennifer Granholm  
111 South Capital Avenue  
Lansing, MI 48909  
Attention: Selam Ghirmai

Dear Governor Granholm,

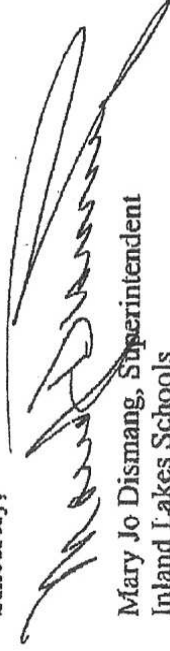

On behalf of the Inland Lakes School District, I would like to commend and support the efforts of the Topinabee Development Association (TDA) in its ongoing efforts to improve the lives of the children and adults who live in the village of Topinabee.

We are particularly excited about their efforts to develop parks and recreation facilities for the community's students and their families. Upon completion of the projects, citizens with disabilities will be able to access the facilities we all want to enjoy.

The efforts of the TDA are also related to environmental issues such as water run-off into Mullett Lake hoping in the long run to improve the lakefront areas where children go to play.

Inland Lakes Schools applaud the TBA efforts and wishes them well. We encourage you to provide the financial support needed to make the projects become a reality in the lives of the children and families who live and work in the community.

Sincerely,

Mary Jo Dismang, Superintendent  
Inland Lakes Schools

**Empowering • Encouraging • Expecting • Excellence**

The mission of the Inland Lakes School District is to provide a safe, supportive environment where students acquire knowledge and master problem solving, critical thinking, and communication skills which prepares them to function as responsible, contributing citizens in life beyond K-12.
