

Topinabee Athletic Club

Topinabee, Michigan 49781

Representative Bart Stupak
200 Division Street
Petoskey, Michigan 49770

January 22, 2009

Dear Representative Stupak,

Re: Topinabee Development Association Streetscape Improvement Plan

The Topinabee Development Association (TDA) has recently communicated with you regarding the effort underway to implement a Streetscape enhancement program for the community of Topinabee located in Mullett Township, Cheboygan County, Michigan.

The Topinabee Athletic Club has been making small improvements to the community of Topinabee since our club was established in 1970. We stand behind the larger efforts of the TDA to improve and upgrade our community. A Streetscape improvement plan would help increase tourism and cottage type industries, thus stimulating the local economy. This plan will also improve the environment by reducing current erosion into Mullett Lake. It will help foster civic pride in our community especially in these current economic conditions.

We wish to communicate our support and endorsement of this undertaking and respectfully request your assistance in obtaining the necessary Federal funding to help bring this plan to reality.

Respectfully yours,

Patty King
TAC President
