

Some of the moving forces behind the early day Otsego County Chamber of Commerce were (l-r) Ray McMullen, Rean Mooney, Ken Atha, Earl Styles, John Yuill and Louie Dittmer. On the far right is Bill Netter, with the two men between him and Dittmer unidentified.

Fishing in Otsego County has always been bountiful as Bob Doumas displays here in an undated scene.

Inside the chamber's new building, dedicated in 1948, are (l-r) Avery Moore, Ken Sisson and an unidentified man.
